*If you answered "YES" to any of the above questions, please explain:

I, the undersigned, certify that I am the owner or authorized agent of the above described animal. I hereby grant my consent to allow the examination procedures to be performed by a veterinarian at Henderson Equine Services for the purpose of determining the health status of the horse listed above prior to sale.

I, the undersigned, certify that to the best of my knowledge the above information given is correct.

Signature of Seller/Agent

Print Name of Seller/Agent

NOTE: Please inform the seller that horse should be off all NSAIDs and other performance enhancing medication at least 72 hours prior to exam. If the horse is trained to be ridden under saddle, then a rider will need to be present at the exam for us to view the horses movement under saddle. If navicular radiographs need to be taken, the veterinarian will remove front shoes for those views.
